## **Paul Foster Wins 2010 Top Advisor Award for Integrity and Success in Business Financial Planning**

*Paul Foster, CEO of The Business Therapist<sup>®</sup>, was honored as 2010 Advisor of the Year by RAN ONE, a global professional network for business and financial advisors, for achievement of outstanding results in small business advisory services.*

Stonybrook, NY – In recognition of his dedication to helping small business owners with complex financial decisions and business growth challenges, Paul Foster, CEO of the Business Therapist<sup>®</sup>, received the 2010 Advisor of the Year Award from RAN ONE, the largest professional network of accountants and business advisors in North America.

Paul Foster was praised by RAN ONE at their Annual Conference in October for his integrity, listening skills, and honesty in helping business owners with challenging business and financial situations. In 2010, Paul Foster helped to resolve a 34-year dispute affecting a family business practice, and assisted a client with a complex multi-million dollar transaction.

This unique recognition by an international professional network of advisors places Paul Foster and his business advisory practice as The Business Therapist<sup>®</sup> at the top of the best financial advisor firms in the U.S. and Canada.

“As a fellow small business owner and accountant with 25 years of experience, I listen and I understand my clients,” says Paul Foster, CEO of The Business Therapist<sup>™</sup>. “My approach is to get to know your business needs and frustrations, then I give you the tools and resources that will be most effective to sustain and energize your business for long-term success.”

Paul Foster has been recognized by clients and colleagues for his innovative approach to successful business planning and practices as a business coach to promote a healthy work/life balance to maintain a positive outlook to both life and career.
